

District Director Election Process

Nominations

Any active member can nominate another active member for district director or can nominate himself/herself. Nominations must be made in writing to the executive director at the address below on the enclosed form and be postmarked or received by September 1. If a member is nominating another member for district director, the nomination should also include verification from the nominee that he or she consents to the nomination.

Elections

If more than one candidate has been nominated for district director, AASB will send a ballot of all eligible nominees to each member board in the district by October 1. Each board, by official board action, may vote for one candidate. **Ballots must be postmarked or received by the executive director at the address below by October 31 and include a statement signed by the board president that the vote was approved in a board meeting.** If no candidate receives a majority of the votes, a special election to choose the district director will be held during the annual convention, and each member board in the district will designate a member to represent it at the special election.

Campaign Information

Nominees may request a listing of mailing labels from AASB at no charge and may distribute information at the district meeting. A copy of your nomination form will be mailed to members of the district when the ballots are mailed.

Announcement

If only one nomination for district director is received, AASB will notify the district membership who has been selected as director in September. All nominations will be placed on the AASB website.

If more than one nomination for district director is received, the executive director will notify the membership of the results of the election in November as soon as they are tallied.
