

School Board Member Recognition Month

To be mailed by the superintendent

_____ schools will join school systems throughout the state to salute their local education leaders during Alabama's annual School Board Member Recognition Month in January.

The commemorative month is designed to recognize the contributions made by Alabama's more than 800 local school board members, including the members of the _____ Board of Education, who are charged with governing public education under state law.

Alabama school board members are chosen by their communities through election or appointment to manage local schools. They oversee multimillion-dollar budgets which fund education programs for more than 739,716 Alabama schoolchildren. Your local school board members are part of a statewide team that supervises 91,876 employees, including 46,766 teachers, 36,058 support workers and others in 1,463 schools.

These volunteer leaders also are responsible for formulating school system policy, approving curricula, maintaining school facilities, and adhering to state and federal education law. Legal concerns and the complexities of school finance, including budgeting and taxation, require them to spend many hours in board training programs and personal study to enhance their understanding of these issues.

Our deepest appreciation is extended to the dedicated men and women who make it possible for local citizens to participate in education in our community. We salute the public servants of the _____ school system whose commitment and civic responsibility make local control of public schools in our community possible (*insert names of local board members*):

Please join us by saying "thanks" to our school board members during Alabama's 27th School Board Member Recognition Month.
