another is needed.”

A dark, moody photograph of medical equipment including a stethoscope, a syringe, and a pen, with a quote overlaid in white text.

“I will remember that I do not
treat a fever chart or a
cancerous growth, but a sick
human being.”

“I promise to be the teacher that loves to learn alongside my students.”

TSGC hopes for students....

My hope for all students is that they believe in themselves and have courage to follow their hearts!

My hope is for ALL students to treat each other with respect!

My dream is that all students remember this school because of positive experiences!!!

I hope that all our students have an amazing year!
Dr. Steele

I hope each student will be kind and respect each others differences.
Mrs. Vincent

I hope that all our students feel valued and appreciated and that they learn skills and values that will extend far beyond 4th grade.
Mrs. [unclear]

I hope students realize how much potential they have!

I hope all of my students use their special "gift" to help others.
Mr. [unclear]

My hope for my students is to know I about them what is important to them!

My hope is that our students develop empathy for others.
S. Bontox

I want my students to leave our classroom as better readers, writers, thinkers, and speakers.
S. Buck

My hope for every student to grow academically and feel loved when they leave me in May!

I hope every student feels valued, safe, and important! ❤️❤️❤️

My dream is for my students to feel confident in their math skills and to leave with a smile everyday!

My dream for my students is that they feel safe, confident, and welcomed in my classroom!
Mrs. Jacey

My hope for my students is to develop a love for learning and build positive relationships.
Ms. [unclear]

My hope is that every student knows how special they are!

I hope my students become self-confident, self-starting.

I hope our kids reach for the stars and know we are always there for them.
Always Tim

My hope is for my students to know I love them and truly believe in them. I hope they learn to love a challenge!
Ms. [unclear]

I hope all of my students know that I CARE about each and every one of them. I also hope that they will be excited to come to my class and motivated to learn.
Ms. [unclear]

My hope is that my students embrace the opportunity to grow every day!
Ms. [unclear]

My hope is that all students learn to love and value their individuality.
Ms. [unclear]

My hope is that I can inspire my students to do things!

A vintage, ribbed microphone is the central focus, illuminated with a vibrant red light. The background is a soft, out-of-focus bokeh of warm yellow and white lights, with a single bright blue light on the right. The microphone's grille features a small circular logo with a stylized 'S' and 'M'.

Dear Brother —

We never know what a
year will bring. But we
know what we will bring
We will bring The Awesome
That will leave the year
