# Tips for a Winning Nomination

- Remember the panel of judges likely will not know your nominee. Explain the significance or impact of each activity where possible. For example, don't just say the nominee lobbied the legislature frequently. Explain what the nominee lobbied for and how his/her activities benefited the school board and/or school system.
- Be specific.
- A “glitzy” presentation is not necessary. Instead, give a complete description of the nominee's activities. For example, don't just say the nominee achieved Level 4 in the School Board Member Academy. Relate how what he/she has learned has helped your school system.
- Make sure your nomination is received **on or before the deadline**.
