MONTGOMERY, Ala. (WSFA) - Alabama's state superintendent of education is addressing a recent increase in weapons being found on Alabama school campuses.

In less than a week, five guns have been found in central and south Alabama schools, resulting in the arrests of four students.

In Dallas County, two students were detained after three loaded guns were found

In Pike County, just days later, a 13-year-old was charged with carrying a concealed weapon and taken to the juvenile detention center after being caught with a loaded gun on a school bus.

Then on Wednesday, a student was arrested and charged with unlawful possession of a weapon on school campus after a gun was found on the campus of Goodwyn Middle School.
