Dear Fellow Board Members:

I'm writing to express my earnest desire to accept a nomination from the Shelby County School Board to enter the election for the District 5 Director position. It would be an honor to take a leadership role in District 5 and represent the outstanding school boards in our region.

I have served on the Shelby County School Board for five years and I have worked in communications at Jefferson State Community College for 28 years. I am married with two sons who both graduated from our public schools and they are now completing degrees at Princeton University and the University of Alabama. My wife also works in education and helps students every day.

It is very important to me to serve our communities and assist young people. I would like to take on this new role to advance school boards in District 5 so we can better serve our students and employees. I currently serve in leadership positions with my school board, Kiwanis, Family Connection, Inc., Big Brothers/Big Sisters, Leadership Shelby County, and, in past years, been a youth baseball and football coach.

The Shelby County School System has beautiful facilities and excellent resources to host District 5 gatherings. I also have an incredible support team to help coordinate any logistics necessary.

I would greatly appreciate this opportunity to serve the school boards in District 5.

Alabama Association of School Boards
Ms. Sally Smith, Executive Director
P. O. Box 4980
Montgomery, AL 36103-4980

Dear Ms. Smith:

On behalf of my fellow Shelby County Schools board members, Mr. Jimmy Bice, Ms. Peg Hill, and Mrs. Jane Hampton, it is my pleasure to offer this letter of endorsement for the nomination of our Board Vice President, Mr. David Bobo, as the District 5 Director.

Our board is in complete agreement that Mr. Bobo would make an excellent leader for District 5. He is always found eager to serve our own school system, and we know he will carry this willingness and positive attitude into any responsibilities and duties required for District 5. Mr. Bobo is a very organized, and meticulous to details. He is also one of the most forward-thinking individuals, and we believe this will serve District 5 well in the future.

In addition, what an honor and privilege it would be to host any District 5 meetings at our very own Shelby County Schools' facilities! We are so proud of our school system and would be happy to welcome our neighboring school boards to our centrally located Instructional Services Center in Alabaster.

I would be remiss if I didn't mention Shelby County Schools' great appreciation for outgoing District 5 Director Renna Scott in this letter. She has done an awesome job, and we are thankful for her! We know her leadership leaves a tremendous legacy to fulfill. However, we are confident AASB could rest easy with Mr. David Bobo at the helm. Shelby County Schools' Board of Education stands behind Mr. David Bobo and is confident you can do no better than his humble servant heart and supportive spirit!

Thank you for your consideration,

Mr. Aubrey Miller
SCS Board President
