## NAEP International Assessment will take place in Alabama

### Program for International Student Assessment (PISA) will take place in October of 2022.

- This test measures 15-year-old students' reading, mathematics and science every 3 years.
- No state results are given.
- Only **three** schools in Alabama were selected to participate.
- Districts and schools have been notified

### Trends in International Mathematics and Science Study (TIMSS)

- This test is voluntary and offers a stipend to the school, school counselor and students.
- Alabama currently has **seven** schools participating in this study.
- This test compares the math and science performance of students in grades 4 and 8 across about 65 countries.
- Testing dates are set for the spring of 2023.
- No state or school results. However, schools have the option to pay for the results.

### International Computer and Information Literacy Study (ICILS)

- This test is voluntary and offers a stipend to the school, school counselor and students.
- Alabama currently has **two** schools participating in this study.
- This test compares the computer and information literacy skills, as well as access to and use of technology of students in grade 8 across about 30 countries.
- Testing dates are set for the spring of 2023.
- No state or school results. However, schools have the option to pay for the results.

## ▪ Long-Term Trend assessment (LTT-13)

- NAEP long-term trend assessments measure student performance in mathematics and reading, and allow the performance of today's students to be compared with students since the early 1970's.
- Each student will be assessed in only one subject.
- The NAEP long-term trend assessment will be administered via paper and pencil to 13-year-olds between October 10 through December 16, 2022.
- Alabama has **13** schools selected to participate in this assessment.
- District and schools are notified.
- No scores for the state, district, school or students.
- Result will be released for the nation.

## ▪ NAEP 2023 Field Trial and Field Testing

- A total of 11 Schools in Alabama were selected for these two types of test. (5) for F-Trial and (6) for F-Test.
  - The assessment date is schedule in the spring of 2023
  - No state scores given
  - However, on August 31, 2022, the National Center for Education Statistics (NCES) announced the cancelation of the Field Test due to new-found efficiencies.

Total points are calculated and used in the identification of support schools.

- Comprehensive Support & Improvement Schools (CSI)
- Targeted Support Schools
  - Targeted Support and Improvement (TSI)
  - Additional Targeted Support and Improvement (ATSI)

## STATE ACCOUNTABILITY SYSTEM

Total points are calculated and used in the determination of a letter grade.

A – 90-100

B – 80-89

C – 70 – 79

D – 60-69

F – 59 or less

# Academic Achievement Differences

---

## FEDERAL ACCOUNTABILITY SYSTEM

Does not include in the calculation English learners in the first two (2) years of the student's enrollment in a school in the U.S.

## STATE ACCOUNTABILITY SYSTEM

Does not include in the calculation English learners who have not shown proficiency on the state approved English proficiency assessment for the first five (5) years of enrollment of the student.

# Other State Accountability Lists
