Health Skills for Middle School  
Essential Health (High School)

# Textbook Review Ratings Scale

Rating	Description
Strong (3-4)	This is the highest rating a book can receive. In general, a book that was rated as "strong" scored mostly 3s and 4s on a 4-point scale.
Moderate (2-3)	This is the middle rating a book can receive. In general, a book that was rated as "moderate" scored mostly 2s and 3s on a 4-point scale.
Weak (1-2)	This is the lowest rating a book can receive. In general, a book that was rated as "weak" scored mostly 1s and 2s on a 4-point scale.
